

Coligo - to unify or connect

As functional acoustic wall art, Coligo acoustic panels connect the creative energy of the workspace with the team working in it, resulting in a far more productive, energetic space.

EcoPrivacy Acoustic™ Coligo Panels provide:

- Sound absorption and blocking
- Ambient noise reduction within the room
- Reduced reverberation and echo
- Minimized sound transmission outside the room
- Customized design: shapes and logos

EcoPrivacy Acoustic™ Coligo Series Highlights:

- 100% polyester fiber acoustic panel
- Choose from 17 available colors
- Dynamic designs to add dimension to your workspace
- Flexible privacy between individuals and teams
- Make your open office look good and improve the acoustic environment
- Easy to install
