Intego Privacy Panels

Introduction

Congratulations on your purchase of the EcoPrivacy Acoustic™ Intego Desk Dividers. These panels add visual privacy and functional accents to modern open office, providing both beautiful visual privacy and acoustic absorption.

EcoPrivacy Acoustic™ Intego Desk Dividers Provide: EcoPrivacy Acoustic™ Intego Series Highlights:

- Sound absorption and blocking
- Ambient noise reduction within the room
- Reduced reverberation and echo
- Minimized sound transmission outside the room
- Customized design: shapes and logos
- 100% polyester fiber acoustic panel
- Choose from 17 available colors
- Dynamic designs to add dimension to your workspace
- Flexible privacy between individuals and teams
- Make your open office look good and improve the acoustic environment
- Easy to install

SPECIFICATIONS:

Absorption	Average NRC 0.7 (subject to mounting conditions)
Material	100% polyester fiber acoustic felt
Thickness	9mm (3/8") Single Layer 18mm (3/4") Double Layer
Eco-friendly	YES, 60% recycled PET materials, 40% new material, non-toxic, non-allergenic, non-irritant, no-coatings/sprays that degrade
Fire Rating	ASTM E84 Class A Fire Spread rating is permanently achieved by infusing 40% new material into the panel. We don't use sprays or coating that degrade and lose their rating status.

Installation

The EcoPrivacy Acoustic™ Intego Privacy Panels easily attach to table edges.

1. Measure out optimal mounting locations on the desk, according to desk length and midpoints, and mark with a pencil.
2. Use the hex key provided to install EA Intego Mounting Brackets onto the edge of the table.

For EA Intego Hinge, use two additional mounting brackets, one each on the right and left, where the panel extends to the sides of the table.

3. After securing the under mount brackets, insert the panel to the slots in the brackets.
